# THE BMW F 900 GS.

## WAITING TO BE CHALLENGED.

This is where it begins. Your next adventure that takes you where hardly anyone else goes. Anyone except for you and your GS. Over stones and gravel, through wind and water, into deep ditches over the and highest hills. Joy in your heart, sand in your teeth, adrenaline in your blood – fully in your element and in the #SpiritOfGS flow.

We built the F 900 GS for precisely such experiences. The engine, the body – we have optimised everything to achieve a bike with maximum power but at a light weight. And here it is: your perfect Enduro.
