# Made to Move you

Because great  
design moves  
more than  
just wheels.

## Rider-centric console

Controls positioned  
for effortless  
access and pure  
riding focus.

## Effortless in every turn

A low, centered frame  
keeps your rhythm  
steady and your  
control complete.

## Worth the weight

Smart balance keeps  
you steady through  
turns, curves, and  
every uneven stretch.

## Dual battery architecture

5 kWh + 1.5 kWh  
dual battery system  
for extended, reliable rides.

## Steel tubular chassis

Designed to stay steady,  
absorb movement,  
and keep control  
effortless.

## Meet your motor

8.8 kW peak output  
and 72 Nm torque  
deliver instant,  
effortless acceleration.

# Brain Built in

SimpleOS brings every function together on one intuitive, responsive display.

## 7" TFT Touchscreen LCD

A vivid, responsive display that keeps every detail clear and within reach.

## Map My India Navigation

Find your way faster with in-built precision mapping. No phone required.

## Call & Music Control

Control sound and calls effortlessly, with zero distractions.

## Message Alerts

Get important updates right on your display.

# Simple Connect

One app that  
keeps you closer  
to your ride

## Message Alerts

See key alerts on your screen without checking your phone.

## Find My Scooter

Track your scooter's location anytime, anywhere.

## Super Share

Share your journey & much more in real time with trusted contacts.

## Push Navigation

Push routes from your phone to your dashboard in seconds.

## Ping My Scooter

Locate your scooter instantly, even in a crowded space.

# Matter of Traction

Now comes with  
**4 TRACTION MODES**  
tuned for every terrain.

Rain

Road

Rally

Track

Switch between Rain, Road, Rally and Track. Each mode is optimized for precision and control on every terrain.

# Nothing left to chance

Advanced safety features that  
step in before anything does

## **Drop Safe**

In the event of a fall, the motor cuts power instantly, keeping you safe from accidental acceleration

## **Theft and Tow Alerts**

Get notified instantly if your scooter's moved or disturbed

# Little things. Huge impact.

## **Super Hold**

Automatically holds position on slopes or inclines without using the brakes

## **Parking Mode**

Move backward with precision for easy, confident parking

## **Guide me home light**

Keeps the path lit for a few seconds after you park, so you walk away safely

**MADE FOR THE  
FEARLESS EXPLORER**

# Hued to Perfection

# Simple Ultra Orange

Simple Ultra is crafted with a three-layer paint process that creates a deep and glowing copper-orange finish. In sunlight, it looks like liquid metal, and at night it settles into a rich, glowing ember.

# Miles over Plugs

# 250+

fast chargers across India.

0-80% charge  
in 2 hrs 15 mins

adding 1.5km range  
per minute.
